

## *Goal Focus for 2016-2017 School Year*

### **Taylor Elementary**

- **Implementing Lucy Calkins Reading and refining Workshop Model**
  - Unpacking resources
  - Looking at how the units of study relate vertically
  - Optimizing our instruction by using built in assessments
  - Building common language and a comprehensive approach as a school so that students hear the same vocabulary as they move from level to level.
  
- **Building a Learning Community for PBL by studying Habits of Mind and Growth Mindset**
  - Daily Morning Messages with lessons that teachers give in class
  - Notebook for each teacher with articles and resources to use in classrooms
  - Tying PBIS to HOM and GMS. Noticing kids making these part of their habits.
  - Educating parents by having a family night and by sending information home in newsletters

We Nurture.....We Learn.....We Excel!
